

NEMATULLO

WEB DEVELOPER

PROFILE

My name is Nematullo, I'm 26 years old. I have experience in web development & design. Knowledge of WordPress, HTML, CSS, and javascript.

I have more than 6 years of experience in the field of Web Designing. I've been doing website development and management in my last workplace. I have experience in building and managing corporate websites (based on WordPress CMS and HTML/CSS) for a company, where I worked and for clients.

I also have experience in SEO, SMM, Web server/hosting management, Website migration, email configuration/setup, SSL, DNS etc.
